

Report for AGM 04/02/11

Bookings are slightly down on the previous year in terms of parties and events. However, we have picked up three additional regular bookings which are ongoing throughout the year. These are PLA, Rainbows and Baby Signing which together provide a weekly income in term time of £79.

Hirers continue to remain positive about the venue and the service they receive and the majority of bookings come via recommendations by previous hirers or from people who have attended an event at the club and liked it. We continue to be extremely underused by club members.

We currently only have 2 future events booked in (having had 4 cancelled, 3 of which were adult parties), although we should pick up more during the year, whereas this time last year we already had 5 parties booked. Obviously, having a new clubhouse would significantly increase our bookings capacity.
