Cricket Club - September (date to be confirmed)

SENIOR AWARDS

Cricket Club - October (date to be confirmed)

QUIZ EVENING

Cricket Club - Saturday 4 December (to be confirmed)

CHRISTMAS DRINKS

Sunday 19 December - Cricket Club from 12 noon

CHAIRMAN'S MESSAGE

Last season marked a milestone in the history of KFCC as we were able to play two home games simultaneously at the club due to the remarkable endeavours of our ground staff, and others, who in just 18 months managed to produce a cricket square on our second ground. Those of us who played on it regularly can testify to the excellent condition of the wicket and would say that it compared more than favourably with other clubs' pitches on which we played. However the outfield still requires a bit of attention despite great efforts by everyone concerned and stones are, and will be, a problem for the foreseeable future. I would therefore ask that if anyone has a spare moment, a strong back and is willing to do a bit of stone picking it would be much appreciated. The container generously provided by Boxtainers has served as an adequate changing room for the short term but in the long term an extension to the clubhouse is the only real solution.

The official opening of the second ground took place last season and we are truly grateful to Alan Butcher for performing the official cutting of the ribbon. The day was marked with a ladies match between our club and a representative team from the Beaumont Seymour Ladies league. The result of the game was of course a victory for our ladies and the first of many during the season which culminated in them winning the Beaumont Seymour League final against Abberton at the County Ground later in the season.

With the second ground now being fully utilised, a lot of time and effort has been spent in gaining planning permission and building consent for the proposed extension work to the clubhouse. The club had to apply twice in order to gain the planning consent and then negotiate hard with Braintree District Council's Planning Department to have a condition removed. All this took a considerable amount of time and I am most grateful in particular to Simon Gibbs and Mike Rayner, together with our architect, Peter Tyler for all their support in helping me to get through this difficult period. I am happy to report that we have the consents that we require from Braintree District Council to move forward. We have also worked with three local medium sized building companies for estimates as to the cost of the works and sent the preferred estimate to the ECB along with the plans and supporting information. A meeting has already taken place with the ECB to ascertain the level of support that they are prepared to give and it all looks quite promising.

The real challenge will be raising the necessary funds to make the clubhouse extension a reality. This will be the main focus of your committee during this coming year.

I would make a plea for everyone to support any social activities going on at the club as these bring in much needed revenue and funds towards the clubhouse extension. Also please contact a member of the committee if you are aware of any companies wanting to advertise - we have a lot of space around the boundaries of the two pitches which is seen by thousands of commuters each day heading to and from London.

It only remains for me to wish everyone associated with the club a really good 2010 and let us hope that it proves to be another successful season.

Chris Leftwich
Chairman

CLUBHOUSE HIRING

Contact Kathy Lees - 01376 573111

The CLUBHOUSE IS AVAILABLE TO HIRE
(AT PREFERENTIAL RATES FOR MEMBERS)

- PARTIES
- WEDDINGS
- CHRISTENINGS
- FUNERAL GATHERINGS
- CORPORATE EVENTS (with or without the use of the cricket pitch)

Bar staff provided and we can put you in touch with caterers who are used to using our facilities.

Non members	105	
Corporate	155	

Bar staff rate £6.00 per hour (subject to review)

ADULT TEAM SELECTION POLICY

The aim of the Club is to provide suitable levels of cricket for all players with an emphasis towards developing First Team Squad excellence.

Selection Criteria for League Cricket

Each player will be reviewed for selection based on:

- Must be a Club member
- Good availability and commitment to play regularly
- Timely availability notification to the Club
- Performance in recent games
- Skill level
- Commitment to training
- Development potential
- Skill requirement to achieve a balanced team
- A player's ability to contribute positively

Meeting the above criteria is expected for regular league cricket although no player can be absolutely guaranteed a game. Also a willingness to accept movement between teams based on the Club's requirements is expected after provision of an explanation to the individual.

First Team Squad

- The first team squad should be viewed as a combination of PDQ/Two Counties first and second teams from whom the Club will draw for team selection based on the selection criteria
- Selection for the first team should be considered a recognition of outstanding performance, commitment and contribution with an expectation that this standard can be and is maintained
- Experience shows that a core first team will develop during a season with it's size varying. These are players who are continually outstanding in their respective roles and therefore their names are first on the team sheet when available
- The core first team players if available should be selected for all first team games irrespective of league or day
- Non-core selection for the first team may be on an ad hoc basis, based on the first team requirement at that time. This may mean players are asked to play first team for irregular games to fulfil a role but without the guarantee of continuous employment at this level; however regular performance reviews will take place to ensure team and individual development continues and that each player has an equal opportunity based on the selection criteria
- On occasions players may also be asked to play 2nd team cricket after earlier 1st team selection based on the 1st team's requirements

Two Counties "C" Team

Primarily a "development" team for good young players consisting of senior players capable of offering skill and guidance to colt cricketers of good ability and with the potential to play higher standards in the future. Mainly plays it's games on a Sunday.

Two Counties 3rd Team

This team is also viewed as a further "development" team as above but giving opportunities for players to develop who cannot play on a Sunday. During periods of low level availability this team will pick from elsewhere including the Friendly team which may not play.

Friendly Team

It's primary role is to provide cricket to players who prefer and enjoy a less intensive style of game to league cricket or who cannot meet the selection criteria required for regular league cricket. It is

considered appropriate that (as above) during periods of low level availability this team will not play but players will be considered for the TC 3rd side.

CODE OF CONDUCT

PLAYERS

Kelvedon and Feering Cricket Club is committed to providing a healthy and safe environment for all children and adults regardless of age, sex, colour or creed to play and enjoy the game of cricket. In return the club expects all of its players to conduct themselves in a reasonable manner at all times and in particular to follow the basic code of conduct adopted by the club.

Players must:

- refrain from the use of bad language;
- not abuse other players in a derogatory manner by making reference to their sex, race, colour or creed, or use any other reference that might be construed as offensive
- not show dissent or cause offence towards anyone or at any times when at the club or when representing the club;
- not smoke, use drugs or drink alcohol at times when it is likely to bring the good name of the club into disrepute (eg on the playing area or during training sessions);
- be aware that it is illegal to use any substances not permitted by the governing body and make every effort to co-operate with any officials of the ECB or other official agencies conducting any drug screening programmes;
- make every effort when representing the club to wear predominantly white when on the field of play;
- make every effort to be punctual for all training sessions and matches;
- must not knowingly or maliciously undertake any acts that might cause injury to any person except those that occur naturally as a part of the game;
- must adhere to the club's policy on Health and Safety;
- must wear all the requisite protective clothing when playing hard ball cricket in line with the ECB and ECCB directives on protective clothing.

No player under the age of 18 will be permitted to bat in a game or training session when a hard ball is being used unless they are wearing a helmet.

All junior wicket keepers will be required to wear a helmet when standing up to the wicket in a hardball match. In addition all junior keepers up to the age of 12 will be required to wear a helmet at all times when keeping in hard ball cricket. Older juniors may be permitted to dispense with wearing a helmet, when standing back, at the discretion of the coaches or team managers.

Junior players must not use the nets unsupervised unless they have received permission to do so by one of the club officials.

All junior teams must comply to the ECB directives on fast bowling and fielding or any other directive introduced by the ECB

All adult teams must comply to the ECB directives on fast bowling, fielding or any other directive introduced by the ECB when selecting junior club members to play in their team

Any behaviour or actions that are deemed contrary to the spirit of cricket and/or detrimental to the Club will be dealt with accordingly.

Any player found to be offending against the club code of conduct will be required to attend a disciplinary hearing that will be made up of at least three members of the Executive Committee of the Club that will usually include the Chairman or Vice-Chairman of the club. The decision of any such hearing will be binding upon all players.

It is the intention of the club to review their policy on Code of Conduct from time to time and make any amendments that are deemed necessary. Any such amendments will be conveyed to the

players at the earliest opportunity. A copy of the Players Code of Conduct will be displayed on the club notice board along with copies of all the relevant ECB directives.

100 CLUB

Since the 100 Club was launched in November 2007 we have raised over £5,000 thanks to all of you who are members. The money raised has been used exclusively towards re-paying the loan we obtained from the ECB to help us establish our second ground. The loan needs to be re-paid over five years and without the 100 Club we would struggle to re-pay it without it having a detrimental effect on the club's finances.

We currently have 77 members, but would ideally like to increase that to 100, this would generate an income of nearly £4,000 per annum for the club which would neatly cover the ECB loan repayments.

This is an excellent way of fundraising for the club and we hope that those of you who have not already joined will do so.

Details of the 100 club are as follows:-

- To join the 100 club the membership fee is £5 per month.
- You are more than welcome to take out more than one membership per person
- Non members of the club are also welcome to join
- The membership fee is payable either as an annual payment (£60 per entry) or by standing order. Payments of £5 per calendar month will be taken from your bank account on the 1st working day of each month.
- Once a month (usually at a club function) there will be a draw with prizes as follows:-

1st Prize - £100
2nd Prize - £50
3rd Prize - £25

You can be safe in the knowledge that the profits from this fundraising initiative will be used in the best way to help the club. We have an excellent colts set-up and hope that the second ground will allow the club to provide excellent playing facilities for them.

Please support the efforts the club is making to develop cricket in the Kelvedon and Feering area by joining the 100 Club. If you would like to become a member of the 100 Club please contact Andrew Wild (contact details below).

Andrew Wild, Gaillard, Coggeshall Road, Kelvedon, Colchester, CO5 9NT.
